PFCE: Parent, Family, and Community Engagement Framework

The Head Start Parent, Family, and Community Engagement (PFCE) Framework is a road map for progress. It can be used in program-wide strategic planning, program design and management, continuous learning and improvement activities, as well as with governing bodies and parent groups. The Framework is also useful as a professional development tool. It can help all staff members understand their role in systemic, integrated, and comprehensive PFCE, and to coordinate their efforts with others.
